Profile

A loyal and dedicated manager, with over 18 years of experience as branch manager and salesman at Dunder Mifflin, Scranton. Good at creating a friendly work environment with a supreme work ethic.

Looking for new opportunities as manager, at a company that can benefit from my entrepreneurial and positive spirit.

I spend a lot of time evaluating my management style, and writing my thoughts in my book, "Somehow I Manage". I can bring a motivational leadership style to the workplace, as well as a friendly, but proven effective sales style.
